RE: **UPDATE - IN THE MATTER OF THE APPLICATION OF DELTEL, INC. FOR A CERTIFICATE OF CONVENIENCE AND NECESSITY TO PROVIDE RESOLD LONG DISTANCE TELECOMMUNICATIONS SERVICES (DOCKET NO. T-20396A-05-0542)**

On July 28, 2005, Deltel, Inc. ("Deltel") filed an Application for a Certificate of Convenience and Necessity ("CC&N") to provide resold long distance telecommunications services in Arizona. On May 2, 2006, Staff considered Deltel's Application for a CC&N to be insufficient and sent Staff's First Set of Data Requests to Deltel by certified mail. Deltel responded to Staff's First Set of Data Requests on June 2, 2006.

On June 16, 2006, Staff sent another Letter of Insufficiency and Staff's Second Set of Data Requests to Deltel. Deltel filed a letter requesting a four-week extension to respond to Staff's Second Set of Data Requests. Deltel responded to Staff's Second Set of Data Request on August 22, 2006.

On April 22, 2007, Deltel subsequently filed a letter informing Staff that Deltel will do business under the trade name of AuctionFON. An application for registration of trade name was filed with the Corporations Division of the Commission. Deltel filed a new tariff to effect this name change.

On May 12, 2009, Staff contacted Mr. Huff, Deltel's Vice President of Operations, and requested that Deltel update its Application. On July 16, 2009, Staff received Deltel's amended Application, a new tariff, updated legal counsel and contact information, and a new list of officers, directors, and shareholders.

On January 10, 2011, the Administrative Law Judge issued a Procedural Order which required Staff, by February 11, 2011, file an update on this matter, including any appropriate recommendations on how this matter should be resolved and stating whether this matter should be administratively closed.

On January 28, 2011, Staff sent its Third Set of Data Requests to Mr. Huff. Staff continues to work on the Application and anticipates that it will docket a Staff Report in the near future. Therefore, Staff recommends that this matter not be closed.
